

Allen Cell Collection

Acknowledgements

The Allen Institute for Cell Science acknowledges the following people for their expertise and support:

Bruce R. Conklin, Gladstone Institute and University of California, San Francisco

Charles E. Murry, University of Washington, Seattle

William C. Skarnes, Wellcome Trust Sanger Institute

David Drubin, University of California, Berkley

The parental WTC hiPSC line was provided by the Bruce R. Conklin laboratory at the Gladstone Institute and UCSF.

Funding

We wish to thank the Allen Institute for Cell Science founder Paul G. Allen for his vision, encouragement and support.
